You are currently only able to see results from the last 30 days

This report shows contacts that have received an item within a sequence. This report includes all existing contacts who have received the selected step (e-mail, voice broadcast, etc.). It does not include deleted contacts, which may cause a variance between the total number of records displayed in this report and the number displayed on the campaign's step.

1. Click on the **Report** button and select, **Sequence Step Recipients** at the bottom.
2. To narrow your results (e.g., a specific campaign or sequence), click the **New Search** button

3. Select your criteria
4. Click the **Search** button at the bottom-left of the page.
