## Email engagement report - manage status, tag open, and view reported spam s

This article applies to:

The email status search report will display a list of contacts based on their email status (i.e. bounce, opt-in, opt-out, etc.). Here are the most used search criteria and an example of the results.

## Manage the marketability status of contacts

Manage the marketability status of your contact by opting in, validating, sending a confirmation email, or unsubscribing them manually.

- 1. Go to **Reports** in the left menu
- 2. Click Email engagement tracker
- 3. Go to Columns

			No options available	~
Custom Fields	Misc Criteria	Columns		
~				

## 4. Click Add a field

	Name (column 3)
	Matching Email (column 4)
	Contact Email (column 5)
**	Time Since Last Engagement (column 7)
G	Add a field
	<i>₽</i>

5. Search for Manage Status

	Contact Email (column 5)	
	Time Since Last Engagement (co	lumn 7)
	+ Add a field	
S	Q Manage	
S	Manage Status	By: Please select one 🗸

- 6. Add any other fields or search criteria
- 7. Click Search

Manage Status

- 9. From the **Current status** tab, you can:
  - Indicate that you have permission to market to this address If the contacts were imported and/or manually added without indicating permission, you can indicate it was given here.

Indicate that you have permission to market to this address	•
Permission to market	
I have Permission to market to this address.	
To help prevent false spam reports, please tell us how you received permission to market to this address:	
Example: They called in requesting information	

• Mark this address as valid - When an email address sends back a hard bounce error you can validate it. For more information regarding email bounce, click here

Current Status: Hard Bounce
This person's email address has hard bounced.
You will be able to send individual emails, but broadcast and Follow-Up Sequence emails will not be delivered.
You can: Mark this address as valid
Validate this email address Validate Email

• Send confirmation email - If you have permission to market to an address, you can send a confirmation email including a link the contact can click to confirm their email address.

You may send marketing emails to this address.	
You can: Send confirmation email	•
Email Confirmation	
Want to preview or edit your email before sending? Visit the Email Confirmatemplate in the Branding Center.	ation
Send Email	
Manually opt-out this address	•

• **Manually opt-out this address** - select **Default Opt-Out** from the drop-down list. This contact will no longer receive marketing emails from your automations and broadcasts. You can still send them one-off emails.

ou can: end confirmation email		
anually opt-out this address		
Manually Opt-out		
Pick an opt-out configuration:		
Default Opt-Out	<ul> <li>Submit or Cancel</li> </ul>	

Find contacts who reported spam or provided feedback

- 1. Go to **Reports** in the left menu
- 2. Click Email engagement tracker
- 3. Add the **Provided Feedback** and **Reported Spam** email statuses to your search criteria and ensure the Email Status option is set to "contacts any"

Search Criteria	
Email Status	contains any ~
	Provided Feedback X Reported Spam X
	Type to search
Automatically opted out reason	Soft Bounce
	Hard Bounce
Last Sent Date	Opt-Out
	Opt-Out: Admin

- **Provided Feedback**: The person marked the email as spam through their ISP (e.g. AT&T, CenturyLink, etc.)
- **Reported Spam**: The person marked the email as spam through an Keap opt-out link. When this happens, the person has the option to add additional feedback
- 4. Open the Columns tab

		No options available	~
