

Send Picture Messages (MMS)

This article applies to:

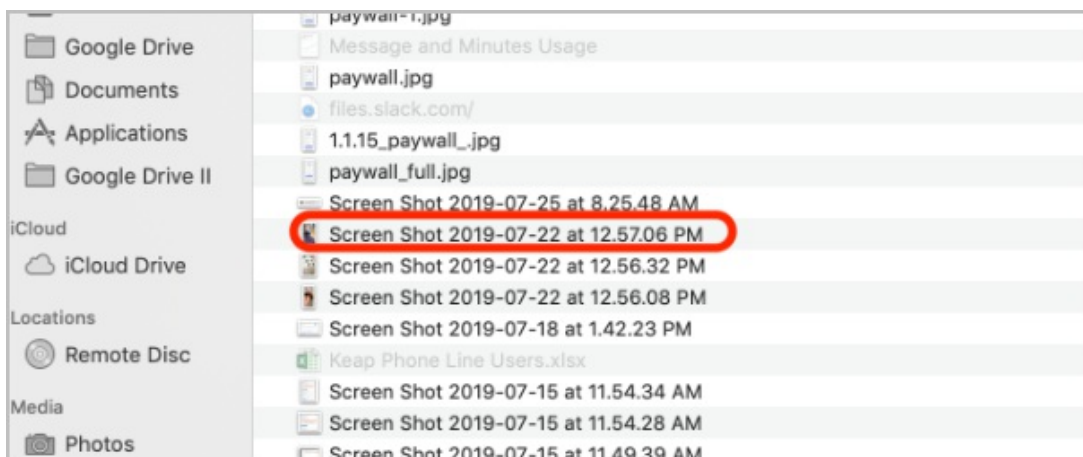

Please Note! This feature requires the free mobile app, [Keap Business Line](#)

Follow these instructions to send an MMS text message from your Keap app:

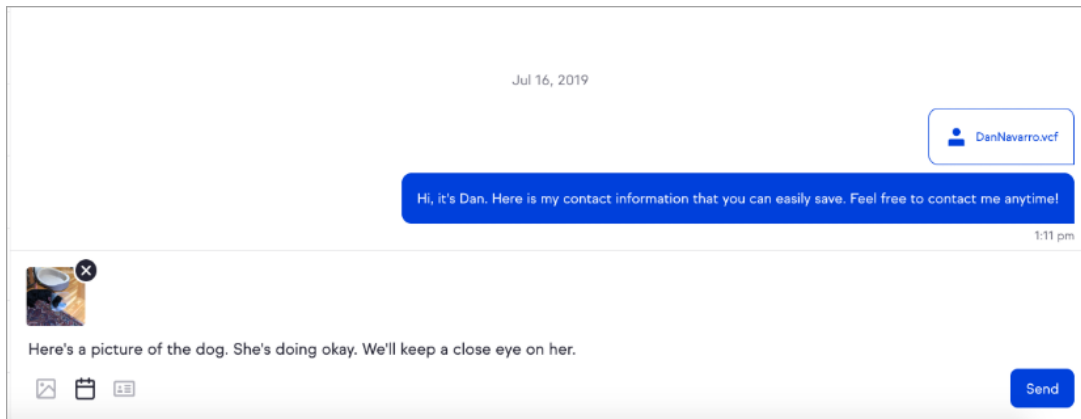

1. To select a picture to send to a contact in a message, navigate to the message conversation for the contact you'd like to send the message to.
2. Click on the **Picture** icon below the message input

3. Select the picture you would like to send from your computer. Note: You will see that only picture files will be available for you to select. We support PNG, jpg, and tiff files.

4. (Optional) Write your message

5. Click **Send**, to send your picture!
