

Add to or remove from sequence[®]

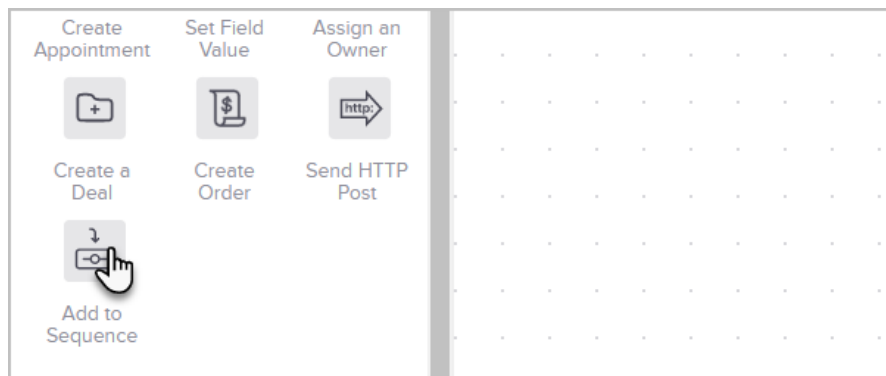

This article applies to:

Pro

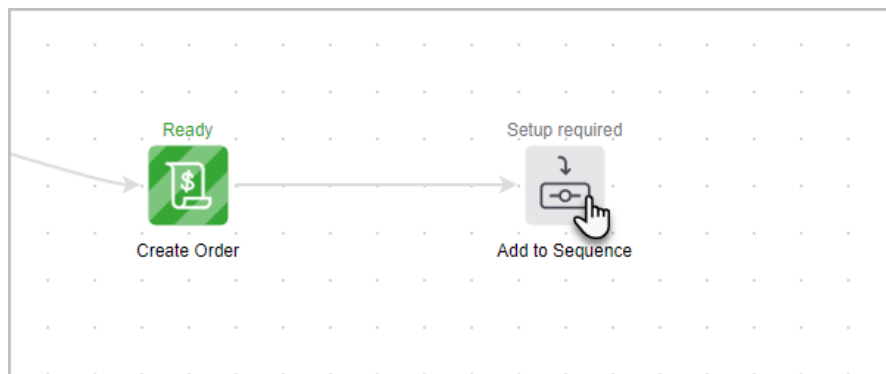

Max

With the Add to sequence option, you can drop a contact into a campaign, and let them skip the line. Instead of making a contact start from the beginning, you can now add them to a sequence further ahead in the campaign.

1. Drag the **Add to sequence** process onto the campaign

2. Double click the **Add to sequence** icon

3. Select a campaign and sequence to add the contacts to
