Setting a Keap Business Line Ringtones

This article applies to:

Customize your ringtone so you always know when your Keap Business Line (available in US and Canada) is receiving a call.

Access Notification and Sounds settings

1. Tap the gear icon to open the Settings page

0	<u></u>	Η.	S	Ö.
			0	J

Ċ	Messaging and Phone Snooze, auto-replies, and voicemail	>
Û	Notifications and Sounds $ \oint$	>

3. Tap Call ringtone

2.

Sounds	
Notification tone Synth	>
Call ringtone	ſ

 Follow the steps to customize your ringtone Note: Your Keap app does not control your ringtone. We just guide you on how to edit the ringtone.

For iOS

- 1. Open your Keap Phone Call contact
- 2. Tap **Edit** on the contact
- 3. Choose a ringtone
- 4. Tap Done

For Android

- 1. Open your Contacts
- 2. Select the Keap Phone Call contact

- 3. Tap Edit or open the More menu and select Edit
- 4. Choose a new ringtone
- 5. Save your changes

Warning! Do not edit the phone number in your Keap Phone Call contact. Editing this number will cause your Keap Business Line calls to fail.
