Google Reviews update: Now available for all Google My Business listings

Online reviews help your business get found online, establish trust, and get more new leads from Google searches. Now all customers can link their Google My Business listing to Keap, even if it doesn't have a physical address, to request new reviews from clients and monitor your score right on your dashboard. [Learn more.](#)

Money update: eWAY available for payment processing

Customers in Australia and New Zealand now have an additional option to accept credit card payments from anyone, anywhere, from any device. eWAY's secure and reliable online payment gateway can now be connected directly to your Keap application. [Learn more.](#)

Reports update: Search through your saved searches and saved reports

Find exactly what you're looking for with the ability to search your lists of saved searches and saved reports. Simply open the menu and type the name of the search or report you want to pull up and select it from the results. Plus, you're now also able to search through the Actions menu on your searches and reports.
