Centralized reporting hub ⚲
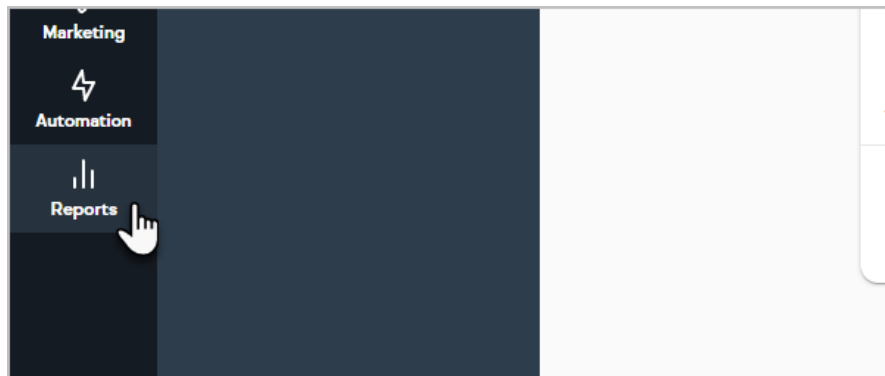

This article applies to:

of this article

You now have a single place where you can see and search all of the available reports in Keap Max. You can also pin your top 10 most relevant reports and saved searches to the top of the page for easy access.
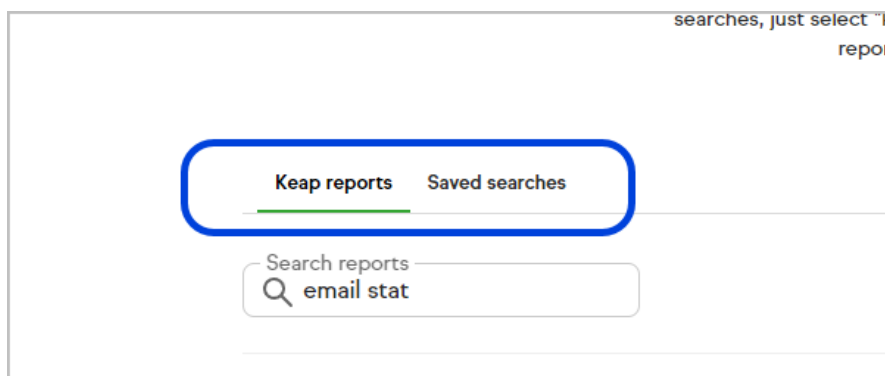

1. Go to **Reports**

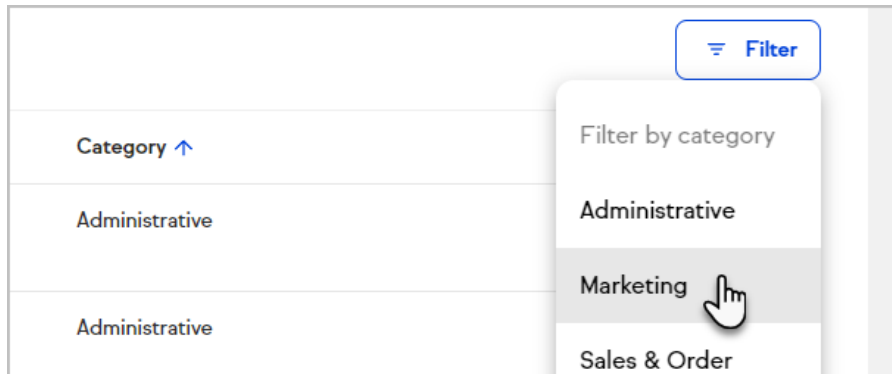

2. Click on **View all reports**

3. There are two sections: one for**Reports** and one for **Saved searches**

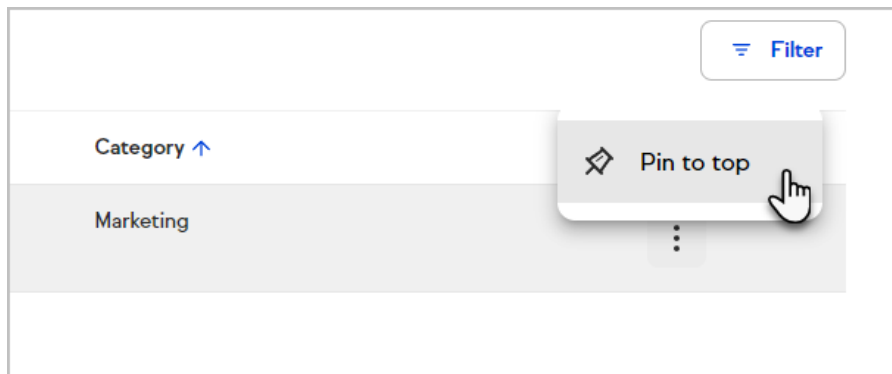

4. From here you can search for the report or saved search you are looking for
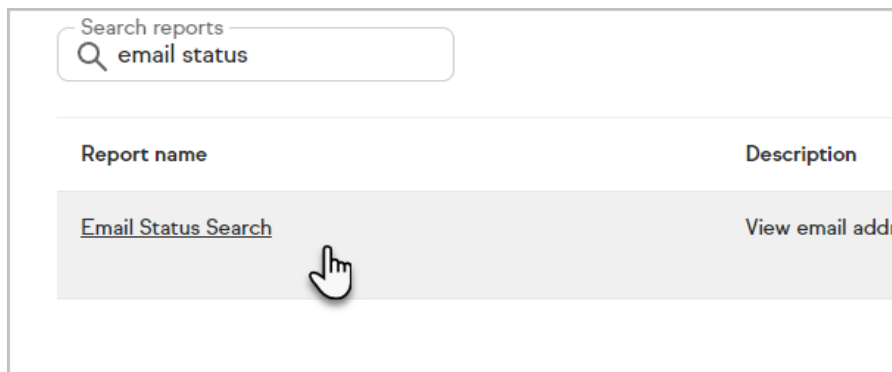

5. You can also filter for report categories

6. To pin the report to the top of the page, click the show more button and choose **Pin to top**

7. To open the report in a new tab, click anywhere in the report row

8. To unpin a report, just click the view more icon and choose**Unpin**

9. To open a pinned report, click the arrow button at the bottom-right of the card
