

ScoreApp

Last modified on: 09/11/2025 3:03 pm MST

ScoreApp is an online quiz/assessment tool that integrates with Keap automations. Integrate your ScoreApp's scorecard marketing solutions with Keap's powerful marketing automation engine to deliver personalized results, build trust, and make sales faster than ever before.

[Click here](#) for setup instructions

Once the integration is live, you will have access to several ScoreApp + Keap customized automations:

- Consultation Request
- Tripwire Offer
- Sales Pipeline
- Post-consult Nurture
- Personalized Long Term Nurture
- Re-engagement Sequence
- New Client Onboarding

After setting up the integration, if you do not yet have the automations in your account, you can install them from <https://share.keap.app/go/6szjfq>

If you have questions regarding your ScoreApp integration, please email support@scoreapp.com
